The author has no delusions that his personal advice is best, and seemed to have a genuine interest in helping future hikers as much as po A little of the advice is getting a bit on in years; it questions whether you should bring your cell phone "brick" that never gets signal, and of course, the popular brands of different gear has shifted in some cases. Con la marmellata o la crema pasticcera. We should all just step back, yes, step back a little way. For many years the Israeli army and security services have pursued a policy of extrajudicially executing Palestinians, without offering any proof of guilt and no right of defence. She's bright. Pederastia was, as on the night Simon met Miss Mao, very serious and hardly camping at all. The biggest problem was the

obviousness of the plot, within the first twenty odd pages I had already worked out who the killer was, and whenever a large plot point like that is obvious it ruins my enjoyment of the rest of the book.
