The setting of Judge Dredd is a dystopian future Earth damaged by a series of nuclear wars. The setting is a post-apocalyptic world where the only remaining humans are living in a massive underground city called Mega-City One. The city is a sprawling, multi-level metropolis with a population of 8 million. The city is ruled by a brutal, authoritarian government called the Lawmen, who are a mix of police and military. The Lawmen are the only authority in the city, and they are responsible for maintaining order and enforcing the law. The city is a place of constant conflict and violence, and it is a place where the only way to survive is to be the best. The city is a place where the only way to survive is to be the best.
