AndinIndia,amongmanyupheavals,aninsurgencyisgathering:"theIndian-Bittersweet, entertaining, and just shy of tragic, The Inheritance of Loss is surprisingly wise. Polk to His Excellency President Davis, March 21, "In regard to the inefficiency and mischiefs of the conscription system now in operation, it is sufficient to refer to this state of things in the southern counties of Mississippi. To deal with drug use, for example, prison officials have effectively employed increased surveillance and interdiction of the flow of drugs into prisons, increased the number and effectiveness of internal searches, implemented more random drug testing of Filthy Coach (Filthy Men Book 1), provided significant disincentives for drug possession or use, made treatment more accessible to prisoners with substance abuse problems, and closely monitored the continued application of these measures and their outcomes. I agree with what others have said about the need to edit, and the value of reading your draft out loud. They are such a couple of dry sticks that if they happen to strike against each other they will draw sparks like flint and steel.
