And this is still the situation, even today. The Takayama DT2 retains the noseriding performance that Donald Takayama is known for, but blends it into a much more foiled out shape with thinner rails, a narrower nose and a more rockered out, rounded pintail. The type of question asked should be in accordance with the purpose of interview. I stock between the frame of the Childrens book and couldn't convince myself leave without listening to the song up to the end of it.
