Microbial Fuels: Technologies and Applications

Hospitals, in such situations, have often yielded to the wishes of relatives Continuing the ventilation of a brain-dead patient also prevents care of another critical patient when ICU beds are full, and leads to ethical dilemmas among clinicians In this context, there is an urgent need to delink brain death from organ donation However, the other two Indian laws which were framed prior to THOA do not mention brain death in their definition of death and hence the universal acceptance of brain death has been absent in India.

Letters to Penthouse xxxix: Hot, Horny & Right Next Door

I was tired of being overworked and burned out trying to chase money -- I knew there had to be a better way.

Microbial Fuels: Technologies and Applications

Hospitals, in such situations, have often yielded to the wishes of relatives Continuing the ventilation of a brain-dead patient also prevents care of another critical patient when ICU beds are full, and leads to ethical dilemmas among clinicians In this context, there is an urgent need to delink brain death from organ donation However, the other two Indian laws which were framed prior to THOA do not mention brain death in their definition of death and hence the universal acceptance of brain death has been absent in India.
